**Singapore, January 15, 2014** – Koh Brothers Group Limited (“Koh Brothers”, and together with its subsidiaries, the “Group”), a well-established construction, property development and specialist engineering solutions provider, and Heeton Holdings Limited, (“Heeton”), a niche property developer, today announced that their joint venture has been awarded the mandate to develop an executive condominium (“EC”) site at Westwood Avenue in Jurong West, Singapore.

The joint venture, which is between Koh Brothers’ subsidiary Changi Properties Pte Ltd and Heeton Homes Pte Ltd, a subsidiary of Heeton, had submitted a bid of \$382 per square foot per plot ratio (“psf ppr”), or S\$198.9 million.

The 99-year leasehold site straddles on a land area of 186,052 sq ft and has a maximum gross floor area of approximately 520,945 sq ft. The site is slated for the development of an EC comprising an estimated 480 residential units, ranging from two-bedrooms to five-bedrooms.

On winning this tender, Mr Francis Koh, Managing Director and Group CEO of Koh Brothers, said: “Together with our partner, Heeton, we are excited to kick-off 2014 with this very first EC tender awarded by HDB. We are very pleased to have won this highly contested tender, given its attractive location and the ongoing transformation of the Jurong vicinity.

“Located near Gek Poh Shopping Centre, Pioneer Mall, Jurong West Stadium, Jurong West Public Library and Nanyang Technological University, this site is family-friendly, as it is in an established neighbourhood that has education and lifestyle options readily available to the estate’s residents.

“In addition, there is also a limited supply of executive condominium developments in western Singapore, in comparison to other parts of Singapore. Hence we anticipate that the development will enjoy strong interest from buyers, particularly from public housing upgraders and first-time owner-occupiers.”

Mr Danny Low, Chief Operating Officer of Heeton Holdings, said, “We are very pleased that today’s award of the EC tender gives us an exciting opportunity to inject some discerning attributes of our higher end projects in Singapore into the EC market, thereby, offering wider lifestyle choices to the EC home buyers. We believe this coupled with excellent locale will serve the EC buyers well.”

Mr Francis Koh added, “As Koh Brothers is a themed-and-lifestyle developer, we are always looking out for new features to differentiate our residential properties to appeal to all homebuyers. As health is wealth, we will continue to promote healthy-living lifestyle. For this upcoming development, we are planning to promote a cycling community by introducing cycling parking facilities and cycling tracks into the entire architectural and design concept. We will provide more details closer to the launch of this property.”

The development is expected to be completed in 2018. Koh Brothers and Heeton do not expect this project to have a material impact on the Group’s financial performance for the year ending December 31, 2014.

KBD is noted for its 'lifestyle-and-theme' developments. For example, its Starville project was the first to introduce a star-gazing observatory, complete with an astronomy theme. Launched in June 2003, this project is a joint venture between KBD and AIG Lengkong Investment Limited, a member of American International Group Inc. Earlier projects include The Montana, in which KBD became the first developer to introduce state-of-the-art home automation features, broadband cable and an infinity pool. The Montana, launched in November 1999, is a 108-unit luxury freehold apartment located off River Valley Road. In October 2006, it also launched its four-units-only luxurious, freehold bungalow project, "Bungalows @ Caldecott", uniquely designed with a number of firsts in Singapore such as bathrooms studded with Swarovski wall crystals, Avant-Garde sanitary fittings incorporating luxury brand names like Visentin, and a specially-designed Water Conservation System. In April 2006, it announced the acquisition of Hilton Tower, located in the prime freehold Leonie Hill area, for S\$79.2 million together with Heeton Land Pte Ltd.
